## What can I do with PIMP´N CREATE from walther design?

PIMP´N CREATE is a new product range for 1001 design possibilities - use it to decorate photos and other items and make your creations shine. Make photo albums or fan-fold inserts even more unique and eye-catching. With PIMP´N CREATE, you can make your memories tangible. Creative designs with PIMP´N CREATE open up all new possibilities. PIMP´N CREATE products are fun to use, and help you create unique works of art that also make great custom gifts.

**Present**  
 A variety of fan-fold inserts, spiral albums, photo albums and boxes, as well as photo and card holders, key chains and photo hanging cords, help you to show off your favourite photos in an attractive and modern way.

**Design**  
 You can create drawings and calligraphy with decorating and drawing pens in a wide range of colours, including popular and vibrant neon colours and highlighter pens in gold, silver, and white. Lovingly designed stickers and adhesive letters add an emotional touch to photo collections.

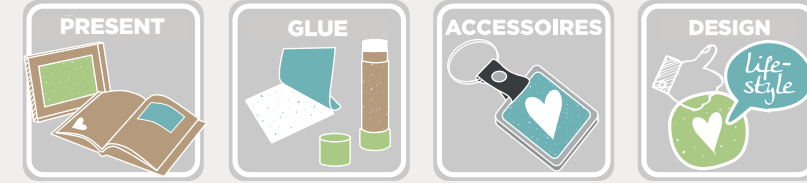

**Glue**  
 Photos and other mementos like tickets, dried flowers, or notes can be secured with colourful photo corners, a specialised glue stick and double-sided tape.

**Accessories**  
 Photo and card holders, key chains and photo hanging cords are cool and stylish ways to enjoy your favourite photos with striking presentation, and impress your friends as well.
